Fatehpur, Uttar Pradesh, is a semi-urban region where agriculture predominates as the main occupation. Perceiving the significance and merit of education for the advancement of society, Mr. Sunil Kumar Srivastava, the manager of the school, conceived of establishing an educational institution where the young progeny of humble families could obtain quality education. Since 1998, Children Public Senior Secondary CBSE English Medium School has been upholding a high standard in the field of education and co-curricular activities. It has been recognized as one of the best schools in the CBSE Prayagraj region. And now, the tree of CPS, Fatehpur is spreading its branches to different corners of the state to provide a standard education to the disadvantaged children and the children of humble families with all modern amenities. The accomplishments of the students and the diligence of the faculty and management have elevated the school to the meridian of excellence in education. We are proud of our school's mission to endow our students with the skills and knowledge they need to thrive in the 21st century. We offer a comprehensive and balanced curriculum that cultivates academic, physical, social and emotional development. We also motivate our students to partake in various extracurricular activities, such as sports, arts, music, clubs, and community services that augment their learning experience and expand their horizons.
